

Baptisms at Culford School.

Heading northwards on the B1106 toward Culford, you get into the village and take the last turn into Culford School—look for the **red phone box** on the right and **turn left** into Culford School's entrance just there.

Carry straight on through Culford's school roads, over the speed bumps, and look for the Sports Centre building and walls on the left hand side. There is parking within that area.
